The point of 2A is to defend against tyranny.

conceal carry for your own defense. They have no right to search you and if they do, you better be defending yourself and shooting commies anyway. Is arson illegal, assault, bike locks to the noggin? Of course those things are. Do you think the other side is playing by the rules with their knives, mace and shields nevermind the treason itself. Fuck them up. This is either war or it isnt. I am going to be there, concealing....if someone fucks around, they finding out.

District of Columbia v. Heller, 554 U.S. 570, was a landmark decision of the US Supreme Court ruling that the Second Amendment protects an individual's right to keep and bear arms, unconnected with service in a militia, for traditionally lawful purposes, such as self-defense within the home, and that the District of Columbia's handgun ban and requirement that lawfully owned rifles and shotguns be kept "unloaded and disassembled or bound by a trigger lock" violated this guarantee.

Laws don't apply anymore, we're in revolutionary territory now.

they had to fuck around

they had to ignore everybody

they had to lock the country and states down

they had to pass a bill in DC to vax kids

they had to write a bill to detain NYers unconstitutionally

they had to RUSH TO SHOW THE WORLD THEIR PUPPET WAS KING, and the peasants aren't happy.

Congressmen/women had to fucking push this to the final hour. This is a wave of faith and fury coming in hotter than a sabot round. Remember BLM was arrested last DC rally and had pistols on their person. Don't think they won't be carrying again.

I think we'll pass on the packing of the courts, stripping of 2nd amendment, racism against whites/asians has gone on long enough, technocracy, socialism, communism lite, omnibus bills that did NOTHING FOR AMERICANS, the hits go on and on. You woke up the nation by your in-action. It's not about Trump anymore, it's about defending

the constitution and maintaining order of OUR LAND. Send one more fucking dollar/job/megabyte of data to China... scumbags.

Bring your guns. If you are barred or they try to arrest you - respond to their stupidity. You are not there to be "safe" you are there to defend the Republic by ANY MEANS NECESSARY. If you want safe you shoulda stayed home.

Chimping out and getting killed or arrest with serious charges that ruin your life will do literally nothing to save the republic. If you had enough of life then just hang yourself, dont commit suicide by cop in the middle of a crowded protest.

The problem with idiotic comments like this is, unless you have a realistic plan to actually overwhelm the cops and military and take full control, you're just going to get people killed or locked up for a long time.

[permalink](#) [save](#) [report](#) [block](#) [reply](#)

▲ 15 ▼

– [edxzxz](#) 15 points 14 hours ago +15 / -0

Here's the go to plan: If you see cops forming a line, press the perimeter until they're surrounded, form your own lines and box the cops into a confined space - patriots proceed around the perimeter unimpeded. Any cop tries to separate or arrest any patriot, pull the patriot back into the crowd, stand your ground, do not let the cops pursue. Remain in large groups, do not travel alone or in small groups.
